[AER Rule Book](#) Please take a moment to read our rulebook

Pit Boxes can be reserved in the AER registration system once you are paid in full.

Paddock Electric Hook Ups

There are ~160 hook ups in the main paddock including the extended paddock. This year Summit has a roaming golf cart that will go around the paddock and unlock the boxes. The participants will need to put the flashers on in their vehicle and the roamer will come around. The cost is \$45 for all three days.

Event Shirts

Every driver and crew member who is on a team and has been added to a car that has been paid in full by 9/3/18 will receive a free event shirt courtesy of Summit Racing Equipment and blipshift

Additional Notes

1. Pit Lane Speed: 35mph except when approaching the RFID Scanner Array, then 5mph.
Paddock Speed: 10mph
2. There is 93 octane fuel at the automated pumps in the paddock.
3. Chez Summit will be open from 7:30 a.m. to 2:00 p.m. on Friday & Sunday. 7:30 a.m. to 11:00 a.m. on Saturday.
4. Quiet Time -- no “race engines” or other loud vehicles may be run either on track, in the paddock, or in any area of the Park prior to 7 a.m. or after 7 p.m.
5. Participants’ and invitees”, access in the Park is limited to the circuit, paddock, and general access roads immediately surrounding the circuit where the Event is taking place. Absolutely no admission or access to any other Facilities or areas (including ranges, off road training areas, or other circuits which may or may not be in use for other events) is permitted.
6. Overnight camping is restricted to the paddock.
7. Participant and invitee is responsible for securing and safeguarding his, her or its own personal property while in the Park. Operator shall have no liability or responsibility for damage, destruction, theft or loss of any such property.
8. Smoking is not allowed inside the “hot” fence of any circuit, on any pit lane, or in any building in the Park.
9. The speed limit on any and all access roads in the Park is 20 mph and “walking speed” within the paddock confines.

10. The sound level limit for all vehicles is 103dB, measured 50 feet from the centerline of the track. Measurement is made on the A weighting scale, slow response. Vehicles not complying must rectify the situation before returning to the track.
11. PIT BIKES, ATVs and any other similar type vehicles are restricted to the general paddock area ONLY and are not permitted to be used outside of the paddock or in any “off road” areas of the Park. All operators are required to have a valid license for the vehicle, and no one under 16 is permitted to operate any motorized vehicle except as authorized by User’s insurance during track activities.
12. Participants and invitees must report any and all spills involving petroleum products or other hazardous substances to Operator’s facilities maintenance staff on Channel 2. The WV Department of Environmental Protection (DEP) requires all products used to clean up oil spills to be swept up and deposited in designated containers for proper disposal. Operator has the approved equipment for clean-up and documented disposal of materials to comply with the DEP regulations and will perform the clean-up and disposal using Oil Dry, as necessary. Operator will bill User at a rate of \$15.00 per bag of Oil Dry used. Small spills reported to facilities maintenance in the paddock area will not be billed if reported in a timely manner.
13. Participants and invitees will vacate the Park no later than 8:00 p.m. on the End Date.
14. No tires, batteries or vehicle parts may be left in the Park following the End Date. Failure to comply will result in an additional \$250.00 fee.
15. Do not deface or apply any club or event stickers on any buildings, billboards, classrooms, or other areas, or pound stakes or make holes in any asphalt surface, or use paint or spray markings of any type on any asphalt surface, and that doing so is considered a violation of these rules and will result in an additional \$250.00 fee per affected area.
16. Children are always welcome in the Park and should be supervised at all times.
17. PETS are welcome, but should be leashed at all times and non-aggressive to people and other animals. Owners are expected to clean up after their pets.
18. Bicycle riding should be limited to after the tracks go “cold” to limit interaction with moving vehicles in the paddock, and riders under 18 should wear protective head gear at all times in accordance with West Virginia state law.
19. Grills and campfires are permitted, but we strongly encourage the use of self-contained raised “fire pits” and discourage the use of ground fires.
20. DRONES or any other remote flying type craft are not permitted to be flown at any time anywhere in the Park and will be confiscated.
21. Fireworks are not permitted at any time in the Park.
22. Illegal Activity is not allowed at any time in the Park – all Users, participants and invitees must comply with all applicable Federal, State and local laws, statutes, ordinances and regulations
